SmithAmundsen

Top flight counsel. Bottom line results.®

SmithAmundsen, a firm of highly experienced attorneys, provides the quality legal services clients require to achieve their goals. We strive to demonstrate the highest degree of professionalism in our relationships with the bench, the bar, and the clients we represent.

The foundation for our success is the integrity, quality, and experience of our staff; an understanding of the relationship between business risks and business objectives; and the desire to explore new and innovative ways to expeditiously solve client problems.

our

FOCUS

As one of the FASTEST GROWING law firms in Chicago, we understand the *entrepreneurial thinking* that drives business decisions. We use this insight to respond to the business needs of our clients—creatively, expediently, and pragmatically.

INDIVIDUALS
working in tandem,
WORKING FOR YOU.

When it comes to developing resolution strategies or fee arrangements for an engagement, our attorneys work to align the firm's interests with our clients' business objectives.

ONE Single GOAL

We work closely with clients from the outset to identify their goals and ideal outcomes, never losing sight of the financial ramifications. Then we act accordingly. Helping our clients realize the best resolution in the shortest period of time is our priority.

KNOWLEDGE
and experience
INTO SUCCESSFUL RESULTS AND
EXCEPTIONAL VALUE.

978

YEARS

OF ACCUMULATED EXPERIENCE
of SmithAmundsen partners.

When you engage a SmithAmundsen attorney, you are not just securing the knowledge of one lawyer but also the collective experience of our entire firm. We use state-of-the-art knowledge management tools to ensure that the benefits of prior work performed on a subject are brought to bear. Experience makes the difference.

Sophisticated legal solutions require lawyers who are highly trained and carefully supervised. To achieve this level of excellence, SmithAmundsen provides training and professional development other firms may not offer. This includes the SmithAmundsen Trial Academy and a rigorous in-house training program administered by our Director of Attorney Hiring and Professional Development. Continuing education keeps our attorneys ahead of the game and assures the quality of the services we offer—a benefit that works to our clients' advantage, and to ours. It is an investment worth making.
